the word on CPT

CPT Corporation is a highly respected, fast-growing manufacturer of word processing systems. We're dedicated solely to providing you with the most economical and reliable word processing systems available today. Our CPT 4200 Series Cassetype System is designed to grow as your business grows, to answer both your present and future needs. Our word processing systems are installed and serviced in large and small companies throughout the United States and Canada, and in over 30 foreign countries. For more information contact CPT Corporation or the CPT representative in your community. We're all committed to satisfying your most exacting word processing needs.

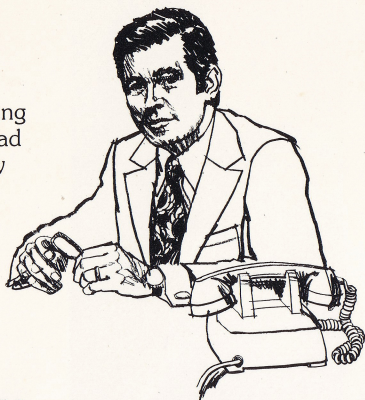

WORDS FROM THE BUYER

The word processing system I bought had to answer both my present and my future needs. I chose the CPT 4200 Series Cassetype System

because I felt it would be able to solve my needs for a

long time to come, and at a price I could afford.

Thanks to CPT's modular family concept, it will keep pace with the growth of my organization. At minimum cost, whenever I want, I will be able to increase my word processing capacity by adding any of the extras. CPT word processing specialists will give me their best advice and the benefit of their experience. This is the System that is designed to really save my firm time and money.

WORDS FROM THE SECRETARY

The word processing system I wanted to use had to allow me to work quickly and efficiently. I was delighted from the start with the convenience of the CPT 4200 Series

Cassetype System. A few hours were all I needed to learn how to operate it. As a Secretary I can now eliminate those tiresome repetitive jobs, automate our correspondence, and get those rush jobs out on time . . . all without erasures or mistakes. Everything the System does remains under my complete control. Display lights even tell me where I am on the tape. It is doing everything to satisfy those in charge of our firm. This System is really designed with the typist in mind.

CPT IS WORD

The CPT 4200 Series Cassetype System is the most available today. It features simplicity of design, no unnecessary gadgets. The result . . . a logical and compact small dimensions and a minimum of cost.

Other features:

- Two magnetic tape cassette stations read alternately and automatically at the speed of 175 words per minute.
- Coded automatic switching and rewinding of the cassettes.
- Cassettes capable of recording 125,000 characters or 40 pages of text.
- Duplication of text to another cassette at the speed of 400 cps.
- Control of copy by Word, Line, Paragraph or Page.

CPT IS A FAMILY

It is a family of products that grow with your needs. This family includes:

A VISUAL MEMORY for faster, easier revising.
